PRAYER

SHORT STORIES

Seerah Observe: Story of five daily prayers started with Al-Isra' wal Mi'raj. Our Prophet went through miraculous journey from Masjidil Haram to Al-Aqsa, and from Al-Aqsa to Sidratul Muntaha. There, he received commandment of five daily prayers.

Special During Ramadhan: Muslims pray teraweeh during Ramadhan. Teraweeh(s) are extra prayers that only perform during Ramadhan. They are not compulsory, but recommended to do so to gain closeness to Allah (swt) and to get extra rewards. It is also easy for us to perform other extra prayers such as Tahajjud (middle night) because in the month of Ramadhan, we will wake up early for sOahuur (eat before dawn).

FASTING

SHORT STORIES

During the first Ramadan, Muslims also participated in the first Muslim battle, known as 'Badr,' which occurred in the middle of Ramadan. Despite being outnumbered, the Muslims emerged victorious against a large army of Quraish.

Special During Ramadhan: This month, the reward for fasting is multiplied, and Muslims around the world are united in doing something good. Fasting throughout the whole month also acts as training in building good habits. Not only that, we are also able to understand those who are less fortunate.
